Software Support Certificate

This Certificate entitles the purchaser to register his VAG-COM diagnostic software for Tech Support and Software Updates.

Download your software here:

www.Ross-Tech.com/vag-com/download/

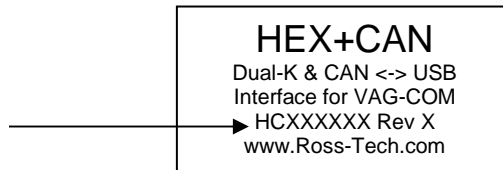

Please test your system by accessing any control module in your car and clicking the Fault Codes button. Once you do this, the License Status on the "About" screen should show: "Fully Registered/Activated"

To register for Tech Support, fill out the Software Registration Form at:

www.Ross-Tech.com/vca/hex-com-reg.html

Your Certificate Number for Dongle interfaces such as the HEX and KEY series cables is the Serial Number on your interface cable. For Example:

This is the serial number
